

# TRY SOMETHING NEW!

## INTERMEDIATE CLUBS 2016

Starting the last week of January, students will have the opportunity to participate in after school clubs put on by the intermediate teachers. These clubs will help provide students with a variety of activities that may be new to them or activities they are interested in learning more about. We feel that these clubs are a great way for students to be involved in activities that are wonderful learning opportunities but where they may not have the time to experience during the regular school day.

**Registration for clubs will be on Thursday, January 21st.** Registration will begin at **3:15 in the school foyer**. It will be on a first come, first serve basis. Please note the times and days carefully as clubs will happen throughout the week. There may also be a small fee to help cover the costs of the materials. Descriptions and details regarding each of the clubs is highlighted below.

We are looking forward to having lots of fun and helping students experience new things!
